\*FL, GA, and MA do not use online application, see [apply.nyscamp.org](http://apply.nyscamp.org) for application process in these states

## OVERVIEW

In its 59th year, the NYSCamp has traditionally been a residential science, technology, engineering, and mathematics (STEM) program in the eastern mountains of West Virginia designed to honor and challenge some of the nation's rising STEM leaders and provide them with opportunities to engage with STEM professionals and participate in exciting outdoor activities. In response to the COVID-19 pandemic, however, the 2021 NYSCamp will be an entirely virtual experience. The 2021 NYSCamp will be held virtually for two accomplished high school graduates from each state in the USA, plus Washington DC and select countries. More information can be found at [nyscamp.org](http://nyscamp.org).

## HIGHLIGHTS

- Daily lectures and seminars with leading scientists
- Directed studies alongside visiting and resident STEM professionals
- Engaging activities in the natural, physical, computer sciences, creative arts, and outdoor recreation areas
- Opportunities for delegates to engage with STEM professionals, staff, and each other in fun and meaningful ways
- Special events and surprise guests throughout NYSCamp
- Delegates attend **free of charge**

## ELIGIBILITY

- Graduates from high school between 1 July 2020 and 30 June 2021
- Documented superior academic proficiency
- Recognition for notable achievements in STEM program areas
- Skills and achievements outside of STEM and/or academics
- Intent to pursue higher education and a career in STEM
- Availability to commit to a minimum 4.5 hour daily participation
- Submit an application at [apply.nyscamp.org](http://apply.nyscamp.org) on/before deadline
