Please help evaluate the paper competition. This will help to improve the program and justify the program in grant applications.

Region ____________________________ Date of Oral Competition __________________

1. Have you judged in this or a similar competition before? If so, how long?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

2. How would you rate the quality of the written papers and oral presentations? If you've judged before, please compare this year's papers to previous years.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

3. Do you have any suggestions for improving the competition? (Consider these: critique sheet, manuscript & oral judging rules, notes for judges, oral presentation format, ease of completing tasks, use of electronic communications, continued use of printed manuscripts, access to rules.)
